

Oakwood Field Gun Crew 2018 - 2019

**Are you a team Player? Do you like physical activities?
Can you think on your feet?**

Oakwood Needs YOU!

If you think you have these skills and are in year 3, 4, 5 or 6, then you're the sort of person we are looking for to join the Oakwood Field Gun Team. Training takes place on Tuesday after school 3:15 to 4:15 pm and we would love for you to come along. As part of the team you will need to be available over the Armed Forces weekend at the end of June 2019.

The field gun trial is fully risked assessed by Future Fit, who act as the lead trainers alongside the school staff. Although a physical activity the event also helps develop teamwork, leadership and confidence.

Last June our team ran some fantastic races on the Hoe and brought back to school a trophy for third place. We would love to do as well this academic year but we need more recruits to compliment our existing team members.

Any children interested in taking part please pass your name to Mrs Delafield.
