

Oakwood Primary Academy are part of the Plymouth Schools Sports Partnership whose vision is...

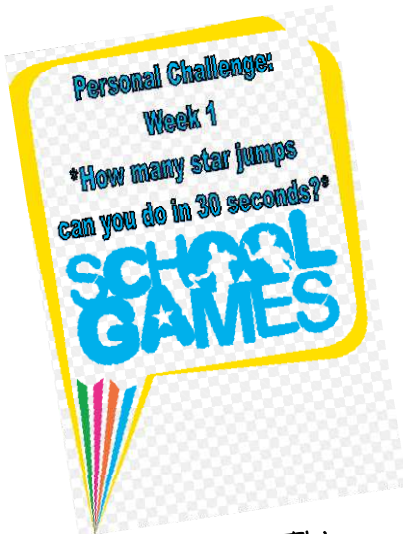

"...to create a sustainable PE, School Sport and Physical Activity system as part of the health and well being provision for all children and young people. Our MISSION is to positively impact on the lives of every child and young person attending Partnership schools and their parents/carers through the opportunities that we provide to help them achieve more in life and at school. We promote the Olympic and Paralympic VALUES of Friendship, Respect, Excellence, Determination, Inspiration, Courage and Equality."

We are also part of the **School Games** network and as such are part of a national project that aims to get more young people participating and engaged in sports and competition. For more information about the School Games please click on the hyperlink above. As part of our sports programme the PSSP run School Games events at regular intervals in the academic year to enable our young people to engage in various level of completion.

As part of this organisation we strive to incorporate the core values of the School games into our own learning community.

Each week we will have a 'personal best challenge' for children to complete in class, on the playground or at home.

This week Squirrel Class managed 30 star jumps in 30 seconds.
Can you beat this score at home?
