

Clubs - Autumn Term 2018

Please complete and return the slip below if your child would like to join a club. If your child is interested in more than one club please rank the choices in order of preference e.g. 1st, 2nd 3rd (maximum of 3 choices). The member of staff running the club will let you and your child know if he/she has been allocated a space in the club. If the club is oversubscribed, then your child's name will be put on a waiting list. He/she may be able to join the club when a space becomes available or in a different term.

School clubs are run by members of staff on a **voluntary** basis during their lunch time or in their own time after school. Please be aware that there may be times when clubs have to be cancelled due to staff absence or unavoidable school commitments. The school office will text parents if this occurs. Most of the school clubs will start the week beginning **24th September** (unless stated otherwise on the form) and will run for the following 8 weeks; the last club for the autumn term will take place in the week beginning the **19th November 2018**.

Name of club	Run by	Day	Time	Age range	Max number in club
