## Harry Potter Book Night 2017

**Harry Potter Book Night was on 2nd February 2017.** This year celebrated those who taught Harry Potter and his friends their many magical skills. Whether it was the suave charm of Gilderoy Lockhart or the dark complexity of Severus Snape, many of the professors of Hogwarts had a huge impact on Harry Potter's adventures at Hogwarts. Fans of all ages have the chance to celebrate J.K. Rowling's wonderful series – and pass the magic on to young readers who haven't yet discovered these unforgettable books. If you go to the Harry Potter website you will find lots of magical interactive activities for children to enjoy and really useful discussion guides for parents.
