

# British Values Day

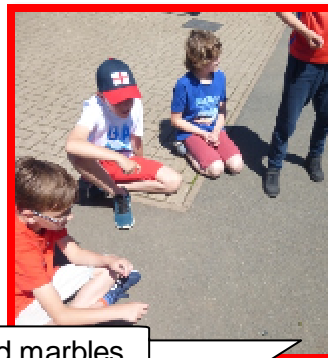

Traditional Playground  
Games in year 3 and 4

Picnic time...tea and  
cake...delicious!

Playground Skipping

Hoops and marbles  
challenges!

Hop Scotch and  
musical spots kept  
everyone on their  
toes!

## Year 2 - Designing our own Coat of Arms

**Year 2** really enjoyed British Values Day. We spoke about what it means to be British. The

children were fascinated by our Queen and learning about the traditions that started years ago that we still follow today. Not only did we learn about our monarchy but we also discussed how as a nation we love fish and chips, football and the weather! The children loved linking these to their own sense identity, which led us onto creating our own 'Coat of Arms' to represent what makes them special.

**Year 1** had fun on British Values Day learning facts about the royal family and drawing pictures of things they may find in Buckingham Palace. This linked in with our London 'Big City, Bright Lights' topic which the children have really enjoyed.

## Year 1 – Big City, Bright Lights

**Year 5 and 6** spent time researching and discussing the legendary exploits of Robert Falcon Scott, the world-famous historical figure. It's always worth remembering that this inspirational yet tragic tale had its origin here in Plymouth. Scott and his men were champions of the pioneering, adventurous and loyal characteristics which underpin British Values both then and now.

We researched the race to pole against the Norwegian, Roald Amundsen. We found out about the different methods each country used and why they chose them.

Finally, we learned about the truth in the selfless sacrifice made by Laurence Oates. His last words were profound, "I am just going outside, and may be some time."

Year 5 & 6 Robert Falcon Scott

These great men have been, and will continue to be, an inspiration.
