

Term 3 and 4

Marvellous Moments in Alder

On Safer Internet Day, Alder class learnt about giving consent online and in real life. We role played scenarios and created posters to remind us of how to give and receive consent online.

For World Book Day, Alder came to school dressed as their favourite book characters. We designed and created our own book covers and in the afternoon parents came in to read with their children and share their favourite books.

Year 3 had the opportunity to attend a music workshop at Plymouth University. They had the chance to experience playing a variety of weird and wonderful instruments and then composed their own pieces based on a journey. They then took part in a scavenger hunt around the grounds of the university.
