

Welcome back,

Discovery Multi Academy Trust are keen to continue to share this monthly wellbeing page with our families. It will include— online support, suggested activities, ideas to promote wellbeing amongst other things. If you would like to add anything to the monthly page please contact l.cooper-smith@discoverymat.co.uk.

With children returning back to school this week some families may be feeling worried. Therefore this month's page has a focus on anxiety.

WHAT NOT TO SAY TO SOMEONE WITH ANXIETY:

TRY ONE OF THESE INSTEAD:

@introverteddoodles

9 things to say to your anxious child

1. I'm here with you. You're safe.
2. Do you want to do some dancing or running to get rid of the worried energy?
3. Tell me about it. 
4. What would you like to say to your worry? What might your worry say back? Then what?
5. Let's draw it. 
6. What does it feel like in your body? Where is the worry? How big is it?
7. Match your breaths to mine.
8. Let's think up some endings for what could happen (anxious ones, goofy ones, AND realistic ones).
9. What's something we could do to help you feel better?
