CAR PARK SAFETY

Dear Parent/Carer,

Following an incident at the entrance to our school car park this week, it's important to remind parents and carers that the school car park should not be used unless express permission has been given by school. This may include when permission is given to pick up a child for a medical appointment that takes place during the school day. The car park is **not** available for parents for dropping off and picking up children at the beginning and the end of the day. This is to ensure safe pedestrian and driver usage around the surrounding area of the school during these busy times.

Disabled spaces are not for general use by parents and carers, please be respectful to drivers requiring this facility.

We have written to parents on a number of occasions in the past about taking due care when driving and parking in and around the school. It is important that all adults take this responsibility seriously and prioritise the health and safety of our children and families above convenience.

Yours sincerely

Mrs J Sparrow
Head of School
