Dear Parents and Carers,

Whilst we are away from school next week, you can access your child's learning via our eSchools website. You should have been sent a log-in and password for your child's personal eSchools account. This is your access to eSchools and you can use it to upload tasks and activities to do at home over the coming week. The website is accessible on the Oakwood website:

<https://oakwood-primary-academy.eschools.co.uk/web>

- You will need to log in to **MY ACCOUNT** in the top right-hand corner, using your username and password.
- Once you have logged in, you need to click **ME**, and then **MY GROUPS**.
- Choose **ROBIN and OWL RECEPTION OAKWOOD** from the Year Group option. This should bring you to our **HOME PAGE**, if you can see a rainbow you are in the right place!
- Scroll down to **Week Beginning 23.11.20**

You can access all of next week's learning and other resources on the 'Rainbow' Homepage. You can also reply here, send a message or upload photographs of the things you have been doing. There is a parent timetable with learning and tasks for each day.

Please do not hesitate to contact me or Mrs. Watson, if you have any queries.

Thank you for your support and understanding,

Kind wishes,

Tracy O'Carroll t.ocarroll@discoverymat.co.uk
Claire Watson c.watson@discoverymat.co.uk
